

# Claude Willoughby, From His Friends

Claude Willoughby, NMLRA and NRA member, age 101, was honored by his friends, fellow shooters, and admirers at the June 2006 National Spring Shoot. At the members' picnic in the Education Building it was proposed that Claude should be recognized with an *honorary membership* in the **1 of 1000 Endowment Program**. This suggestion was warmly embraced by the members in attendance. Claude richly deserves this honor due to his many contributions to, and support for, both the NMLRA and the NRA. He remains a strong advocate of our Second Amendment Rights.

In the span of about twenty-four hours various friends, fellow shooters, and admirers from the BOD, the pistol range, commercial row, and many other groups and individuals contributed over \$1062 to make Claude an honorary member. Claude was assigned #175, which is the 1 of 1000 membership goal for September 2007. As this is written, we need to fill in members 140 through 174 to reach our goal.

**All contributions to the 1 of 1000 Endowment are restricted as to use and can be used only to generate interest or to purchase a permanent asset such as land.** All contributions are tax deductible to the extent allowed by law. Individuals and Muzzleloading clubs are encouraged to join to insure the financial future of the NMLRA. Contact me or stop by the NMLRA Merchandise Booth #87 for an order form.

Bob Copner  
Chairman, 1 of 1000 Committee
