December 4 & 5, 2009- Winter Lights

Join us for this annual celebration!

We'll be doing candle lightings both evenings beginning at dusk, and lighting a tree in the Historic Area at 7:30pm.

The celebration kicks off on Friday, December 4th with our annual Winter Lights Buffet from 5-7pm. The menu includes roast turkey, baked steak, and all the trimmings including Jackson's Mill's famous homemade rolls. Admission is \$12 for adults, \$6 for children ages 4-12.

The younger set is invited to spend some time with Father Christmas on Saturday, and hear how the holidays were celebrated in earlier times! This hour of music, storytelling and fun begins at 6:30pm in the General Store, and will wind up just in time for the evening's tree lighting out on the porch at 7:30pm. There's no admission charge.
