National Muzzle Loading  
Rifle Association  
Founded 1933

www.nmlra.org

The 1 of 1000 Endowment is a program of the National Muzzle Loading Rifle Association conceived by NMLRA Past President Merrill Deer. His idea was to create a \$1,000,000 endowment fund to support the Association. This goal will be accomplished by offering participation in a special part of the NMLRA for a \$1,000 contribution to the organization.

The funds will be placed in a permanently restricted fund. The principal will remain in the endowment, and can be used only to generate interest or to purchase a permanent asset such as land. The principal can never be used for the general operation of the Association. The interest earned produces income for the new and innovative programs that help ensure the long term viability of the organization and help it to prosper.

Getting involved is very easy and you don't have to be wealthy. A one-time contribution of \$1,000 or more to the NMLRA 1 of 1000 will place you in this unique group of NMLRA members. There will never be more than one thousand participants in the program. Each participant will receive a special certificate and a sterling silver pin recognizing their contribution to our financial security and a FREE David Wright, limited edition signed and numbered print entitled "The Spirit of America" while supplies last. Shipping, if required, will cost the member \$22. 1 of 1000 member's names will be on permanent, public display at the NMLRA headquarters. Members also are eligible to shoot in an exclusive *1 of 1000 Match* at the NMLRA National Championship Shoot held each September at the Walter Cline Range in Friendship, Indiana, and at the Western National Shoot held each February at the Ben Avery Range in Phoenix, Arizona.

If you can not make a single payment of \$1,000, you may make a pledge and a payment of as little as \$27.78 per month over the next three years. You may also pay \$250 down and the balance over three years.

The National Muzzleloading Rifle Association is a non-profit educational organization with a 501(c)3 tax exemption from the IRS. Donations to the NMLRA such as membership in the 1 of 1000 Program are tax deductible to the full extent of the law.
