National Muzzle Loading
Rifle Association
Founded 1933
www.nmlra.org

The 1 of 1000 Endowment of the National Muzzle Loading Rifle Association was conceived by NMLRA Past President Merrill Deer. His idea was to create a \$1,000,000 endowment fund to support the Association. This goal will be accomplished by offering participation in a special part of the NMLRA for a \$1,000 contribution to the organization.

The funds will be placed in a permanently restricted endowment fund. The principal will remain in the endowment, and can be used only to generate interest or to purchase a permanent asset such as land. The principal can never be used for the general operation of the Association. The interest earned produces income for the new and innovative programs that help ensure the long term viability of the organization and help it to prosper.

Getting involved is very easy and you don't have to be wealthy. You can join for *as little as \$27.78 monthly* over the next three years. You may also pay \$250.00 down and the balance over three years. Some choose to make a one-time contribution of \$1,000.00 or more. Select the payment plan best suited to you and become a part of this unique group of NMLRA members. There will never be more than one thousand participants in the program. Each participant will receive a special certificate, a sterling silver pin recognizing their contribution to our financial security, and a FREE David Wright, limited edition signed and numbered print entitled "The Spirit of America," while supplies last. Shipping, if required, will cost the member \$22. 1 of 1000 members names will be on permanent, public display at the NMLRA headquarters. Members also are eligible to shoot in an exclusive *1 of 1000 Match* at the NMLRA National Championship Shoot held each

September at the Walter Cline Range in Friendship, Indiana, and at the Western National Shoot held each March at the Ben Avery Range in Phoenix, Arizona.

The National Muzzleloading Rifle Association is a non-profit educational organization with a 501(c)3 tax exemption from the IRS. Donations to the NMLRA such as membership in the 1 of 1000 Endowment are tax deductible to the full extent of the law.

Win a Custom Powder Horn

Members who join are eligible to win the beautiful 1 of 1000 powder horn featured on the front of this brochure. This museum quality powder horn was created and donated by Mark Preston of The Honourable Company of Horners. All current members will be entered once in the drawing, and those who have joined since September 11, 2010, will be entered twice. The drawing will NOT take place until we reach a total of at least 300 members. Currently, (January 24), we have 271 members. Support the NMLRA and our nation's muzzleloading heritage.
