

Dear 2008 NMLRA Postal Match Shooter,

The results of the 2008 Postal Matches are in. A total of 98 Members (compared to 67 in 2007) purchased a combined total of 140 aggregates (compared to 100 in 2007). That's a significant increase. The competition was tight the shooters serious, the scores were up. I like it! As with all shooting though, the real competition is yourself. Registering, shooting AND returning your targets is a good start. Here is the finishing order from each of the nine (9) NMLRA regions for Rifle and Pistol. The top 3 winners from each region will be listed in Muzzle Blast. Each of the top three overall winners, for both rifle and pistol will receive a National Medal.

**The National Pistol Winners:**

1 <sup>st</sup>	Michael Garberich	210 4x

As usual, your input is always welcomed and appreciated. We have included for your convenience, a Registration form for the 2008 NMLRA Postal Matches. It can be copied and made available to other NMLRA members at the local shoots, if you are so inclined. We will keep the prices the same for this year. In an effort to keep things as affordable as possible, we're going to offer the matches with or without the overlay. The 2007 Aggregate fee will be \$9.00 with the overlay, \$7.50 without it. I know many of you shoot each year and have probably got one or two already.
